

Ancient Irish Shamanism

With International Teacher Amantha Murphy

13th – 15th Oct 2017 – Brighton Michigan

The Shamanic tradition goes back over many thousands of years. Each clan or grouping of people held in reverence the Shamanic Way. This Way allows a person to walk between the worlds; recognizing the interconnectedness between all living forces both seen and unseen. Journeying into these worlds for healing, for answers, for visions, brings a sense of continuity, wholeness and integration for self and for the clan.

- Explanation of the Ancient Irish Shamanic Way.
- The three worlds, Lower, Middle and Upper.
- Soul retrieval and Cutting the Ties.
- Journeying with your allies and ancestral teachers.
- Understanding the ancient Wheel of the Sun.
- Connecting with the Stone people and the Shinning Ones.
- Using Drumming, rattle, dance, chants and sound.
 - We will follow ancient pathways to release family issues and personal blocks.
- We will work with nature, with sound and with movement: gathering our fragments together.
- We will drum, express and gain inspiration from this work.
- We literally do ‘walk on the bones of our ancestors’ and carry with us their lessons, their pain and their joy.

All that has not been released from our foremothers and forefathers are contained within our DNA, within our bones and blood and this plays itself out in all our realities. For many, we lose ourselves in our Dream World as a way of playing out those energies trapped within. Yet in retrieving our Selves, we stand within the frame of our Being and our Being stands within us. We are then ONE.

Amantha Murphy is a Shamanic Teacher and Healer and follows the path of the Goddess. She started her spiritual work publicly in 1970 as a clairvoyant and moved into trance mediumship and healing within a few years. She developed many tools along the Way with her spirit and ancestral teachers guiding her, and continues to work with both individuals and groups, at home and internationally. She is a Mother of four and Grandmother of four, living in County Kerry, Ireland, and working primarily with the Land, Rites of Passage, and Ancient Goddess Pilgrimages. Her passion is the Land and returning to HER story -- working through the Grandmothers, the "Shining Ones" the Tuatha de Danann and the Ancient Ones. She has been running Sacred Pilgrimages in Ireland since 1994.

"From my earliest memories my spirit guides have been my constant companions. The spirit and fairy realm was more real to me than this reality. I grew up spending my summers here in Kerry with my grandmother, a midwife and healer, who opened my awareness from an early age to the essence of the Mother, the Land -- and Her Nature. It was she who introduced me to the Sacred Way and places to commune with the Great Mother."

"I work primarily with the presence of the "Grandmothers" and the Way of the "Sidhe", our Shining Ones, the Tuatha De Danann and the Ancient Ones, our Stone People. Ireland had a rich culture of indigenous teachings before the coming of the first Celts and it is in accessing that and connecting again with our Ancient Ones that we bring about the deep healing and communion both within and around us."

"My work, my family, my loved ones, my passion for the Great Goddess and the Land -- this is what moves and feeds me. The Land is my Mother and she has held me for as long as I can remember."
