Shamanic Priestessing

With International Shamanic Teacher and
Healer Amantha Murphy

November 9-13, 2017
Sedona, Arizona
Investment: \$1244.00

Shamanic Priestessing - Bringing the balance of our Power, Passion and Grace within ourselves, and through that experience naturally creating the space for those around us to find that balance and healing within themselves. Creating the space for each to fall within and become whole.

Seabhean - The womyn who walks between the worlds, weaving the threads of the fabric of the Earth and those who live upon Her.

The Keeper of the Mysteries - It is She who remembers and reweaves things into balance, weaving the web through Sound, through Dreaming, and through Ritual. Journeying for her clan, the tribe; retrieving what was lost or disconnected and cutting the ties to what no longer feeds or supports.

OVER THE 4.5 DAYS WE HAVE TOGETHER WE WILL BE WORKING WITH:

- ◆ Explanation of the Weave and the different Worlds in the Shamanic Tradition
- ◆ Understanding the 3 Worlds of the Shaman/Seabhean
- ◆ Journeying to the Lower World of Ancestral Teacher and Totem
- ◆ Using Drums and Rattles
- ◆ Bringing forth the Spiral teachings of our Foremothers
- ◆ Middle World Journeying, to meet our Deities and allies
- ◆ Embodying the Celtic Wheel and the Goddesses presiding over the 8 Points on the Wheel of the Year
- ◆ How we Create in this Reality
- ◆ Working with our Various Bodies
- ◆ Womyns Mysteries: Rites of Passage, Ritual and Ceremony
- ◆ The Weavers, the Dreamers and the Soul Singers
