

**A Year's training on The Way of the Seabhean 2018**  
**Shamanic Priestessing**  
**In Kerry Ireland with Seabhean Amantha Murphy**

**The Seabhean is the 'Yes womyn', the wise womyn, the 'Bean Feasa' in our tradition here in Ireland.**

This will be a year of inner exploration and finding 'your medicine'. The time is now the place is here, to open to all that you are meant to be. As we move into the training of the tradition itself we will also be dealing with personal issues that arise and this will allow you all to get a 'hands-on' experience during the training. The focus of this medicine will be, on being able to work with this tradition in either/and/or your personal work and/or your work with others. This training is accredited through the Academy of Ancient Irish Shamanism and Spirituality.

The apprentice training is a delving into:

***The Weave of the World***

Lower world, ancestors, roots, patterns;

Middle world, creating our reality, our personal myths, elements and elementals, stone/crystal & tree connections, Different bodies, Engagements and Attachments, Imramma, Betwixt and Between;

Upper world, Spiritual guides & helpers, Angelics.

Journeying to our teachers and animal helpers.

Shamanic Healing, Cutting the ties and Soul retrieval, - Weaving the Web.

Soul Midwifery (Psychopomp).

Trance Dance.

Celtic Wheel and the Goddess Deities that hold the 8 points upon the Wheel.

### **AND Womyn's Mysteries:-**

Honouring our Stories, Holding Sacred Space, Accessing our Womb and its Creative force, Finding our Soul Sound, Rites of Passage, Ritual and Ceremony, expanding our Chalice of Grace, Passion and Power. *We are warriors, we are mothers, we are healers, we are wild, we are vulnerable, we are strong, we are ancient, we are tender and we are magical.*

The Womyn's path is nurturing the Spirit and feeding the Soul. Creating, in light and in joy, through the womb/chalice/container, a sacredness and resonance with the Earth's longing. Allowing ourselves to be all we are meant to be in the wholeness of our multifaceted Feminine Being.

### **TESTIMONIAL FOR LEVEL 1 APPRENTICE TRAINING**

*Why did I take Amantha Murphy's Level 1 Irish Shaman apprentice training—and what did I get out of it?*

*I've studied indigenous cultures over the many years since high school, applying their teachings to my life and work, but I've refrained from learning the higher-level ancient shamanic teachings—until now. Because this Irish shamanic training is in the lineage of my own ancestors, I decided to do it.*

*And now I know it's true: When we learn the ancient ways of our own indigenous ancestors, a lost vitality is restored to us. I feel it, since returning home, in every cell of my body—and in the way I carry myself and my worth.*

*I now have a much deeper working knowledge of the Wheel of the Year, the 3 Worlds, the Bodies, and Women's Rituals and Ceremonies. Best of all, I returned home after Amantha's amazing ocean-inspired week-long training without old limiting beliefs and patterns which I'd gently released during the week, viewing my life from a new, higher perspective, more easily able to accomplish my goals (I finished a huge years-long project within a week of returning!) and feeling so much more vital and joyful.*

Thank you, Amantha! **Melody LeBaron**
